Education

2023 - Present
Jomo Kenyatta University of Agriculture and Technology

BSc in Mathematics and Computer Science

At JKUAT, I'm pursuing Mathematics and Computer Science, combining analytical thinking with technology. This path allows me to explore problem-solving, innovation, and building impactful solutions in the tech world.

2012 - 2016
St. Joseph's School Rapogi

Kenya Certificate of Secondary Education

I studied at St. Joseph's School Rapogi, where I majored in sciences, driven by my passion for the scientific world. My ambition has always been to explore more and develop innovative solutions.

2025 - Present

PLP Africa Scholarship Recipient

Accepted into a prestigious tech program to grow in software development.

2024 - 2025

100 Days of Python & Fullstack Web Development
Completed Dr. Angela Yu's Python & Fullstack Bootcamps, gaining certifications.
